**Subject:** [EXTERNAL] Summer Interns for ComEd from the 13th Ward.

Fidel,

I have been contacted by our friends about summer interns. I offered to do it this spring for them and you. I hope you concur.

I am not asking for any money.

It just seems to me that maybe by next summer we may have someone employed that will have the trust of the 13<sup>th</sup> Ward and you (ComEd). You and I have a system and so why have someone take it over when we will have to train from square one just to have someone else work with you next spring?

I hope you agree with me. I think it will save you multiple calls (minutes) that you do not have to waste and after all... I am retired.

I strongly recommend this item as we go through this transition period.

My goal is that both parties are happy and not frustrated a second.

I hope you agree.

Best, Mike

Michael F. McClain
